Good Afternoon Ed,

I'm sending this email for the board meeting in hopes that we don't have any incidents before then from the home on County Highway 14th that you sent the letter out for.

The only encounters I have for the board is the loose dog that you spoke to the owners about and the other that you sent the letter to the land owner for.

I will be working more on this as soon as I return home from prison. I wish I could say that statement was a joke because it sounds sure like one.
